Workbench	Broken Helm	"I could use the workbench to fix the helmet... if I had the right parts."
Workbench	Broken Shoes	"Might be able to patch these up here."
Workbench	Broken Torso	"I can do some basic repairs on the suit here... if I've got the tools."
Broken Shoes	Shoe Weights	"These weights can be strapped to the shoes. I'll stay grounded down there."

Broken Torso	Sewing Kit	"I can stitch the worst with this. I just need some fabric"
Broken Helm	Good Glass	"This glass could work as a new visor. Just need to fit it in place."
Curtain	Broken Glass	"The sharp glass slices through the fabric cleanly."
Cut Curtain	Broken Torso	"This fabric should patch the suit... if I sew it on right."
Empty bottle	Oxygen gen	'Now... how do I fill it...?'

Use one at random or rotate them:

1. "That won't work."
2. "No good... these things don't go together."
3. "I need to think this through. This ain't the right combination."
4. "Just mashing things together won't help me."
5. "This isn't getting me any closer to the surface."
6. "That's not how I fix this."
7. "Doesn't seem to fit. Or help."
8. "Wasting time trying that."

9. "That's not going to help me survive."

10. "Wrong tools for the job."
